PROJECTS & AWARDS

Taste BU-DS   **Boston, MA**
DS+X Hackathon 2nd Place, FirstHack   *October 2025*
- Developed the React frontend with intuitive UI and filtering for dietary needs, collaborating with backend teammates to connect API endpoints.
- Designed visual branding elements, including the project logo, to enhance user experience.
- Contributed to product direction and delivered the final working demo to judges.

PROFESSIONAL EXPERIENCE

Taco Azul   **Boston, MA**
Server   *Sep 2025 – Present*
- Provide attentive service in a fast-paced restaurant environment while upholding cleanliness and food safety standards.
- Manage 15+ tables, process orders and payments, and collaborate with kitchen and bar staff for timely service.
- Operate POS systems and support coworkers during peak hours to ensure smooth front- and back-of-house operations.

Camp Galil   **Ottsville, PA**
Team Leader & Camp Counselor   *Summers; Jun 2023 – Present*
- Supervise a team of five counselors, model counseling skills and address camper behavioral issues.
- Organize daily educational and recreational activities tailored to the individual needs and interests of 20+ campers.

Board Member   *Sep 2024 – Sep 2025*
- Collaborated with 10+ board members to guide strategy and align with Camp Galil's mission, using analytical skills.
- Interpreted operational and financial data, including numerous budget proposals and board reports, addressing complex financial challenges to assure the camp's resources were allocated effectively.

Staff Treasurer   *Jun 2024 – Aug 2024*
- Designed spreadsheets for $8k staff fund for 50+ members, using formulas and data analysis to uphold fair allocation.
- Streamlined requests by tracking needs, collecting forms, and updating records for efficient and accurate distribution.

Walia Ethiopian Restaurant   **South Orange, NJ**
Server and Social Media Manager   *Jul 2021 – Sep 2023*
- Developed a responsive website using HTML and CSS, implementing a structured menu and intuitive design to improve user experience and brand presentation.
- Contacted and worked directly with GrubHub to integrate online ordering and delivery systems.
